OK, here's a crack at an updated general factsheet.

Somewhat shorter, includes key message, modified text in most sections, things moved around, updated impact table, etc.

Justin and I met to discuss key messages for press statement. We'll be looking to get that into Margo's hands COB as well.

Bob and Vince, we need your draft LCA factsheet too. I'm trying to leave by 4:30 today so if you can get to me before then, that would be great. If not, someone else may have to print and hand to Margo prior to her departure (not sure of her timing).

Other thoughts, comments are welcome (not really but I'll take the help)
